

## CARNET DE LECTOR EN DISPOSITIVOS MÓVILES

1. Identificarse como usuario en el MOPAC. <http://xlpv.gva.es/cginet-bin/mopac?LANG=es-ES>

The screenshot shows the top part of the MOPAC website. At the top, there is a dark grey navigation bar with the links "Desconectar" and "Ayuda". Below this is a light grey section titled "Identifíquese" with a user icon. Underneath is another light grey section titled "Información general" with an information icon. The main content area is titled "Consulta de datos" and features a search bar with a magnifying glass icon. The search bar contains the text "en: Catálogo completo" and a blue "Buscar" button. Below the search bar, there is a link for "Consulta experta".

2. Introducir los datos del usuario y clicar en conectar

The screenshot shows the login page with the user's credentials entered. The search bar now contains the text "101055206" and the password field is masked with "\*\*\*\*\*". A blue "Conectar" button is visible below the password field. The rest of the page layout, including the navigation bar and the "Información general" and "Consulta de datos" sections, remains the same as in the previous screenshot.
